This Committee responds to the RFAI dated March 11, with response due April 15, as follows: the report was timely filed at 10:31 PM on January 22, 2013 while the Treasurer was travelling and located in California. While that would be 1:31 AM EST, surely the commission does not intend to penalize all of California, nor all citizens west of the Mississippi, for the vagaries of the time zones, nor dictate that the right to speak is predicated on any particular clock in the Commissions' offices.
